

Participants Wanted!

For a research project about local students with Asperger syndrome

A local researcher is looking for students who are

- 1) Willing to share a diagnosis of Asperger syndrome or High-Functioning Autism Disorder
- 2) Currently attending a 4-year university or attended one in the past
- 3) Willing to answer questions about their experiences
- 4) Able to provide written and other feedback

If you are interested in learning more about this opportunity, please send an email to:
dbthompson2.liberty.edu@gmail.com.

Type "I want to participate" in the email subject-line.
